Product Use:

This product is designed and manufactured exclusively for use with NBE products. Any use of the product in conjunction with products not manufactured or approved by NBE is not permitted and will void the warranty and the manufacturer's liability for any damages.

Installation:

Installation of this product must be carried out by a recommended NBE dealer/service partner*. Incorrect installation or installation by unauthorized parties may result in malfunctions and will void the warranty and the manufacturer's liability for any damages.

Liability Conditions:

NBE disclaims all liability for:

1. Installations not performed by a recommended NBE dealer/service partner. Installation must be documented, and such documentation must be available upon request.
2. Damage, faults, or operational issues resulting from the use of the product with non-compatible products or from using the product for purposes it was not designed or recommended for.
3. Any modifications or alterations to the product that have not been expressly approved in writing by NBE.
4. Malfunctions or damage resulting from lack of maintenance, improper cleaning, or misuse of the product.
5. Damage to third-party property or systems caused by incorrect use, installation, or modification of the product.
6. Indirect losses, including but not limited to loss of profit, operational downtime, or other financial consequences arising from the use or malfunction of the product.

Nothing in this disclaimer limits NBE's liability under applicable product liability laws where such liability cannot legally be disclaimed.
